Fyre Lake Golf Club reserves the right to charge the full amount of the reservation for cancellations made within the 24 hour period prior to a reserved tee time and for no-shows.

## Golf Clubs

Each golfer is required to have a set of golf clubs. Rental sets are available for those who do not have their own clubs. Callaway rentals are available in the pro shop for a \$50 rental fee.

## Check-In Procedures

Golfers must register in the Pro Shop prior to playing golf. If the entire group is not registered in the Pro Shop 10 minutes prior to the reserved tee time, the tee time may be forfeited and the Fyre professional staff will make every effort to fit the group in at the earliest possible time. The group should arrive at their starting tee no later than 5 minutes prior to their reserved tee time.

## Carts

Each cart operator is required to have a valid driver's license. Under no circumstances are those under the age of 18 allowed to operate a cart. Carts must be operated in a safe manner at all times. All signs, safety rules and regulations must be strictly obeyed. Each operator assumes the responsibility for damage caused to the cart and/or course and will sign their receipt at check in. No personal golf carts will be allowed on golf course property.

Carts are to remain on the cart paths on all holes near tees and greens and at all times on par three holes. Under normal conditions, carts may otherwise move from the cart path to a player's ball at a 90 degree angle. Under wet conditions, carts may be restricted to the cart paths at all times.

Golfers with disabilities may request a special handicap flag for relaxed cart path restrictions. A Solo Rider cart is also available upon request with an additional fee of \$25.

## **Pace of Play**

Playing golf at a reasonable pace is essential for enjoyment of the game and demonstrates respect for others on the course. The Fyre Lake Golf Club pace of play standard of FOUR HOURS is based upon the traditional four-ball game. These pace of play standards may be extended by the Fyre Professional Staff when circumstances warrant.

On-course Player Ambassadors, are provided to monitor the pace of play and have full authority to control and speed-up play on the course. Three-ball and two-ball games, as well as singles on the course, have no standing and should not expect to "play through" unless directed by the Player Assistant. Five-ball games are not allowed on the course unless approved by the Fyre Professional Staff in advanced.

Slow play will not be tolerated. Groups must follow the instructions of the Player Ambassador to maintain a proper pace of play. Those groups not able to maintain an acceptable pace of play may be asked to move forward on the course or possibly issued a rain check to return at another time.

## **Rain Checks**

Weather is part of the challenge of golf; therefore, rain checks are not issued for chilly, windy or rainy conditions. However, rain checks will be issued to any golfer who is forced to abandon their round of golf when the course is closed due to lightning or unplayable course conditions. Rain checks are issued as credit toward your next golf fees at Fyre Lake Golf Club and are figured using the percentage of the number of remaining holes according to your tee time, pace of play, and sunset. Rain checks are not issued for darkness at twilight rates. All rain checks are issued at the discretion of the Fyre Professional Staff.

## **Alcoholic Beverages**

The Fyre Lake Golf Club is licensed by the Illinois and Tobacco Commission to offer daily retail beer and wine service along with contracted beverage services for outings and events. Therefore it is unlawful to bring alcoholic beverages onto Fyre Lake's premises for consumption. Anyone on Fyre Lake's property in possession of an alcoholic beverage that was not purchased at or served by Fyre will be asked to discard it if opened, or if unopened, asked to return it to their vehicle immediately. Failure to comply with this policy may result in being asked to leave the premises and to forfeit any fees at the discretion of the Fyre Professional Staff.
